R.S.O. 1897, CHAPTER 323

An Act concerning Monopolies, and Dispensation with penal laws, etc.

(*Commonly called "THE STATUTE OF MONOPOLIES"*)

HIS MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:—

All monopolies and grants, etc., thereof, or of dispensations and penalties declared void.

1. All monopolies, and all commissions, grants, licenses, charters, and letters patents, heretofore made or granted, or hereafter to be made or granted, to any person whatsoever, of or for the sole buying, selling, making, working, or using, of any thing within Ontario, or of any other monopolies, or of power, liberty, or faculty, to dispense with any others or to give license or toleration to do, use or exercise anything against the tenor or purport of any law or statute, or to give, or make, any warrant for any such dispensation, license, or toleration, to be had or made, or to agree or compound with any others for any penalty or forfeitures limited by any statute, or of any grant or promise of the benefit, profit or commodity of any forfeiture, penalty or sum of money that is, or shall be, due by any statute, before judgment thereupon had, and all proclamations, inhibitions, restraints, warrants of assistance, and all other matters and things whatsoever any way tending to the instituting, erecting, strengthening, furthering, or countenancing, of the same, or any of them, are altogether contrary to the laws of Ontario, and so are and shall be utterly void and of none effect, and in no wise to be put in use or execution. 21 Jac. I, c. 3, s. 1.

Validity of all monopolies, and of all such grants, etc., shall be tried by the common law.

2. All monopolies and all such commissions, grants, licenses, charters, letters patents, proclamations, inhibitions, restraints, warrants of assistance, and all other matters and things tending as aforesaid, and the force and validity of them and every of them ought to be, and shall be forever hereafter examined, heard, tried and determined, by and according to the common law, and not otherwise. 21 Jac. I, c. 3, s. 2.

All persons disabled to use such grants, monopolies, etc.

3. All persons whatsoever, shall stand and be disabled and incapable to have, use, exercise or put in use, any monopoly, or any such commission, grant, license, charters, letters patents,

Party aggrieved by any monopoly or grant, etc., shall recover treble damages by action in the Supreme Court with costs.

4. If any person shall be hindered, grieved, disturbed, or disquieted, or his goods or chattels any way seized, attached, distrained, taken, carried away, or detained, by occasion or pretext of any monopoly, or of any such commission, grant, license, power, liberty, faculty, letters patents, proclamation, inhibition, restraint, warrant of assistance, or other matter or thing tending as aforesaid, and will sue to be relieved in or for any of the premises, then and in every such case, the same person shall have his remedy for the same by action to be grounded upon this statute, the same action to be heard and determined in the Supreme Court against him by whom he shall be so hindered, grieved, disturbed, or disquieted, or against him by whom his goods or chattels shall be so seized, attached, distrained, taken, carried away, or detained, wherein, all and every such person which shall be so hindered, grieved, disturbed, or disquieted, or whose goods or chattels shall be so seized, attached, distrained, taken, or carried away, or detained, shall recover three times so much as the damages which he sustained by means or occasion of being so hindered, grieved, disturbed, or disquieted, or by means of having his goods or chattels seized, attached, distrained, taken, carried away, or detained; and in such suits, or for the staying or delaying thereof, no privilege, injunction or order of restraint, shall be in any wise prayed, granted, admitted, or allowed; and no person shall, after notice given that the action depending is grounded upon this statute, cause or procure any action grounded upon this statute to be stayed, or delayed, before judgment, by colour or means of any order, warrant, power or authority, save only of the court wherein such action as aforesaid shall be brought and depending, or after judgment had upon such action, shall cause or procure the execution of, or upon, any such judgment to be stayed or delayed by colour or means of any order, warrant, power or authority, save only by due process of law. 21 Jac. or hurt of trade, or generally inconvenient; but the same shall be of such force as they should be if this Act had never been made, and of none other. 21 Jac. I, c. 3, s. 6.

Proviso for existing grants by Act of Parliament.

6. Provided also that this Act or anything therein contained shall not in any wise extend, or be prejudicial, to any grant, privilege, power, or authority whatsoever, heretofore made, granted, allowed, or confirmed, by any Act of Parliament now in force in Ontario, so long as the same shall so continue in force. 21 Jac. An Act respecting Champerty

HIS MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:—

1. Champertors be they that move pleas and suits, or cause to be moved, either by their own procurement, or by others, and sue them at their proper costs, for to have part of the land in variance, or part of the gains. 33 Edw. I. Definition of Champertors.

2. All champertous agreements are forbidden, and invalid. (*Added in the Revision of 1897.*) Champertous agreements void.

R.S.O. 1897, CHAPTER 330

An Act respecting Real Property

(*Quia Emptores, etc.*)

HIS MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:—

* * * * * * * * * *

Freeholders may sell their lands so that the feoffee do hold of the chief lord.

2. Forasmuch as purchasers of lands and tenements of the fees of great men and other lords, have many times heretofore entered into their fees, to the prejudice of the lords to whom the freeholders of such great men have sold their lands and tenements to be holden in fee of their feoffers, and not of the chief lords of the fees, whereby the same chief lords have many times lost their escheats, marriages, and wardships of lands and tenements belonging to their fees; which thing seemed very hard and extreme unto those lords and other great men, and moreover in this case manifest disheritance: It is therefore provided, and ordained, that from henceforth it shall be lawful to every freeman to sell at his own pleasure his lands and tenements, or part of them, so that the feoffee shall hold the same lands or tenements of the chief lord of the same fee, by such service, and customs as his feoffer held before. 18 Edw. I, c. 1 (commonly called "The Statute *Quia Emptores*").

Sale of part.

Apportionment of services.

3. And if he sell any part of such lands or tenements to any, the feoffee shall immediately hold it of the chief lord, and shall be forthwith charged with the services, for so much as pertaineth, or ought to pertain to the said chief lord for the same parcel, according to the quantity of the land or tenement so sold: And so in this case the same part of the service shall remain to the lord, to be taken by the hand of the feoffee, for the which he ought to be attendant and answerable to the same chief lord, according to the quantity of the land or tenement sold, for the parcel of the service so sold. 18 Edw. I, c. 2.

Mortmain prohibited.

4. And it is to be understood, that by the said sales or purchases of lands or tenements, or any parcels of them, such lands or tenements shall in no wise come into mortmain,

either in part or in whole, neither by policy nor craft, contrary to the form of the statute made thereupon. And it is to wit, that this and the two preceding sections of this Act extend only to lands holden in fee simple. 18 Edw. I, c. 3.

* * * * * * * * * *

Warranties abolished.

11. Lineal and collateral warranties at common law, with all their incidents, are abolished; but the liability of the executors, or administrators, or devisees, of any person who shall have made any covenant, is unaffected by this section. (*See 4 and 5 Anne, c. 3 (or c. 16 in Ruffhead's Ed.), s. 21.*) 2 Edw. VII, c. 1, s. 7.

2. Where any person stands or is seized of and in lands, tenements, rents, services, reversions, remainders, or other hereditaments, to the use, confidence or trust, of any other person, or of any body politic, by reason of any bargain, sale, feoffment, covenant, contract, agreement, will, or otherwise, by any means whatsoever it be, in every such case such person and body politic that shall have any such use, confidence or trust, in fee simple, fee tail, for term of life, or for years, or otherwise, or any use, confidence or trust, in remainder or reversion, shall from henceforth stand and be seized, deemed and adjudged in lawful seizin, estate and possession of and in the same lands, tenements, rents, services, reversions, remainders, and hereditaments, with their appurtenances, to all intents, constructions and purposes in the law, of and in such like estates as they had, or shall have, in use, trust or confidence, of or in the same. And the estate, right, title and possession, that was in such person that was, or shall be hereafter seized, of any lands, tenements, or hereditaments, to the use, confidence or trust, of any such person, or of any body politic, shall be from henceforth deemed and adjudged to be in him that hath such use, confidence or trust, after such quality, manner, form and condition, as he had before in or to the use, confidence or trust, that was in him. 27 Hen. VIII, c. 10, s. 1. Persons entitled to the use of lands, shall stand and be seized, and be deemed in lawful seizin and possession of the lands.

3. Where divers and many persons be, or hereafter shall happen to be, jointly seized, of and in any lands, tenements, rents, reversions, remainders, or other hereditaments, to the use, confidence or trust, of any of them that be so jointly seized, then, in every such case, that person which shall have any such use, confidence or trust, in any such lands, tenements, rents, reversions, remainders, or hereditaments, shall, from henceforth, have, and be deemed to have, only to him, or them, that shall have such use, confidence or trust, such So where divers are seized to the use of any of them:

estate, possession, and seizin, of and in the same lands, tenements, rents, reversions, remainders, or other hereditaments, in like nature, manner and form, condition and course, as he or they had before in the use, confidence or trust, of the same lands, tenements, or hereditaments; saving to all and singular those persons, and to their heirs, who are, or hereafter shall be, seized to any use, all such former right, title, entry, interest, possession, rents, customs, services, and action, as they, or any of them, might have had, to his or their own proper use, in or to any lands, tenements, rents, or hereditaments, whereof they be, or hereafter shall be, seized to any other use, as if this Act had never been made; anything contained in this Act to the contrary notwithstanding. 27 Hen. VIII, c. 10, s. 2.

In case of uses for payment of rents, the parties entitled to the rents shall be deemed in possession and seizin thereof.

4. And where also divers persons stand and be seized of and in any lands, tenements, or hereditaments, in fee simple or otherwise, to the use or intent that some other person shall have and receive yearly to him and his heirs an annual rent of forty dollars more or less out of the same lands and tenements, and some other person another annual rent to him and his assigns, for the term of life, or years, or for some other special time, according to such intent and use as hath been heretofore declared, limited and made, thereof; in every such case the same person, his heirs and assigns, that hath such use and interest to have and receive any such annual rents out of any lands, tenements or hereditaments, shall be deemed to be in possession and seizin of the same rent, of and in such like estate as they had in the title, interest or use, of the said rent or profit, and as if a sufficient grant, or other lawful conveyance, had been made and executed to them by such as were or shall be seized to the use or intent of any such rent, to be had, made or paid, according to the very trust and intent thereof. And every such person as hath, or hereafter shall have, any title, use and interest, in or to, any such rent or profit, may lawfully distrain for non-payment of the said rent, and in his own name make avowries, or by his bailiffs or servants make cognizances and justifications, and have all other suits, entries and remedies for such rents, as if the same rents had been actually and really granted to him with sufficient clauses of distress, re-entry, or otherwise, according to such conditions, pains or other things, limited and appointed upon the trust and intent for payment, or surety of such rents. 27 Hen. VIII, c. 10, s. 3.

Women having jointures shall not have dower.

5. And where lands, tenements, and hereditaments, are conveyed unto a husband and wife, and to the heirs of the husband, or to the husband and to the wife and to the heirs of their two bodies begotten, or to the heirs of one of their bodies

begotten, or to the husband and to the wife for term of their lives, or for term of life of the said wife, or where any such estate or purchase of any lands, tenements, or hereditaments, hath been, or hereafter shall be, made to any husband and to his wife in manner and form above expressed, or to any other person or persons and to their heirs and assigns to the use and behoof of the said husband and wife, or to the use of the wife, as is before rehearsed, for the jointure of the wife, then, and in every such case, every woman married, having such jointure made, or hereafter to be made, shall not claim or have title to have any dower of the residue of the lands, tenements, or hereditaments, that at any time were her said husband's by whom she hath any such jointure, nor shall demand nor claim her dower of and against them that have the lands and inheritances of her said husband, but if she have no such jointure then she shall be admitted and enabled to pursue, have, and demand, her dower by action of dower after the due course and order of the laws of this Province; this Act or any law or provision made to the contrary thereof notwithstanding. 27 Hen. VIII, c. 10, s. 4.

Proviso for dower, where the wife is evicted of her dower.

6. Provided always that if any such woman be lawfully expulsed or evicted from her said jointure, or from any part thereof, without any fraud or covin, by lawful entry, action, or by discontinuance of her husband, then every such woman shall be endowed of as much of the residue of her husband's tenements or hereditaments whereof she was before dowable, as the same lands and tenements from which she was so evicted and expulsed shall amount or extend unto. 27 Hen. VIII, c. 10, s. 5.

Jointure made after marriage, except by statute, may be refused by the wife; who shall then have her dower.

7. Provided also that if any wife shall have any lands, tenements or hereditaments, unto her given or assured, after marriage, for term of her life or otherwise in jointure, except the same assurance be to her made by statute, and the said wife, after that, fortune to outlive her husband in whose time the said jointure was made or assured unto her, then the said wife so overliving shall and may at her liberty, after the death of her said husband, refuse to have and take the lands, and tenements, so to her given, appointed, or assured, during the coverture, for term of her life or otherwise in jointure, except the same assurance be to her made by statute as aforesaid, and thereupon have, ask, demand and take her dower, by action of dower or otherwise, according to law, of and in all such lands, tenements, and hereditaments, as her husband was and stood seized of any estate of inheritance, at any time during the coverture; anything contained in this Act to the contrary in any wise notwithstanding. 27 Hen. VIII, c. 10, s. 7.

This Act shall not extinguish recognisances, etc.

8. Provided also that this present Act, or anything therein contained, shall not extend, nor at any time hereafter be interpreted, expounded, or taken, to extinct, release, discharge, or suspend, any statute, recognisance, or other bond, by the execution of any estate of, or in, any lands, tenements, or hereditaments, by the authority of this Act, to any person; anything contained in this Act to the contrary thereof notwithstanding. 27 Hen. VIII, c. 10, s. 8.

SCHEDULE

TO THE KING'S MOST EXCELLENT MAJESTY

Most Gracious Sovereign,

We, Your Majesty's most dutiful and loyal subjects, the Senate and Commons of Canada, in Parliament assembled, humbly approach Your Majesty for the purpose of representing that it is expedient to amend the scale of payments authorized under section 118 of the Acts of the Parliament of the United Kingdom of Great Britain and Ireland, commonly called the *British North America Act, 1867*, or by or under any terms or conditions upon which any other provinces were admitted to the Union, to be made by Canada to the several provinces of the Dominion for the support of their Governments and Legislatures by providing that—

A. Instead of the amounts now payable, the sums hereafter payable yearly by Canada to the several provinces for the support of their Governments and Legislatures be according to population, and as follows:—

(*a*) Where the population of the province is under 150,000, $100,000;

(*b*) Where the population of the province is 150,000, but does not exceed 200,000, $150,000;

(*c*) Where the population of the province is 200,000, but does not exceed 400,000, $180,000;

(*d*) Where the population of the province is 400,000, but does not exceed 800,000, $190,000;

(*e*) Where the population of the province is 800,000, but does not exceed 1,500,000, $220,000;

(*f*) Where the population of the province exceeds 1,500,000, $240,000.

B. Instead of an annual grant per head of population now allowed, the annual payment hereafter be at the same rate of eighty cents per head, but on the population of each province, as ascertained from time to time by the last decennial census, or in the case of the provinces of Manitoba, Saskatchewan, and Alberta respectively, by the last quinquennial census or statutory estimate, until such population exceeds 2,500,000, and at the rate of sixty cents per head for so much of said population as may exceed 2,500,000.

C. An additional allowance to the extent of one hundred thousand dollars annually be paid for ten years to the province of British Columbia.

D. Nothing herein contained shall in any way supersede or effect the terms special to any particular province upon which such province became

part of the Dominion of Canada, or the right of any province to the payment of any special grant heretofore made by the Parliament of Canada to any province for any special purpose in such grant expressed.

We pray that Your Majesty may be graciously pleased to cause a measure to be laid before the Imperial Parliament at its present Session repealing the provisions of section 118 of the *British North America Act, 1867*, aforesaid, and substituting therefor the scale of payments above set forth, which shall be a final and unalterable settlement of the amounts to be paid yearly to the several provinces of the Dominion for their local purposes, and the support of their Governments and Legislatures.

Such grants shall be paid half-yearly in advance to each province, but the Government of Canada shall deduct from such grants as against any province all sums chargeable as interest on the public debt of that province in excess of the several amounts stipulated in the said Act.

All of which we humbly pray Your Majesty to take into your favourable and gracious consideration.

And whereas it is in accord with the established constitutional position that no law hereafter made by the Parliament of the United Kingdom shall extend to any of the said Dominions as part of the law of that Dominion otherwise than at the request and with the consent of that Dominion:

And whereas it is necessary for the ratifying, confirming and establishing of certain of the said declarations and resolutions of the said Conferences that a law be made and enacted in due form by authority of the Parliament of the United Kingdom:

And whereas the Dominion of Canada, the Commonwealth of Australia, the Dominion of New Zealand, the Union of South Africa, the Irish Free State and Newfoundland have severally requested and consented to the submission of a measure to the Parliament of the United Kingdom for making such provision with regard to the matters aforesaid as is hereafter in this Act contained:

CHAPTER 94 OF THE 1959 STATUTES

An Act to provide for the Consolidation and Revision of the Statutes

Assented to March 26th, 1959
Session Prorogued March 26th, 1959

HER MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

Commissioners, appointment

1.—(1) Lachlan Randolph MacTavish, one of Her Majesty's Counsel, and Warner Cox Alcombrack, a member of the Bar of Ontario, Legislative Counsel and Municipal Legislative Counsel respectively, or such other person or persons as the Lieutenant-Governor in Council may appoint, are hereby appointed commissioners under the direction of the Attorney-General to consolidate and revise the public general statutes of Ontario in accordance with this Act.

remuneration

(2) The commissioners and such persons as may assist them shall be paid such remuneration for their services under this Act, out of the moneys voted by the Legislature for the purposes of this Act, as the Lieutenant-Governor in Council may fix.

Duties

2. The commissioners shall examine the Revised Statutes of Ontario, 1950, and the public general statutes of Ontario enacted after the 31st day of December, 1950, and before the 1st day of July, 1960, and shall arrange, consolidate and revise such statutes in accordance with this Act.

Powers

3. In the performance of their duties under this Act, the commissioners may omit any enactment that is not of general application or that is obsolete, may alter the numbering and arrangement of any enactment, may make such alterations in language and punctuation as are requisite to obtain a uniform mode of expression, and may make such amendments as are necessary to bring out more clearly what is deemed to be the intention of the Legislature or to reconcile seemingly inconsistent enactments or to correct clerical, grammatical or typographical errors.

Printed roll

4. As soon as the commissioners report the completion of the consolidation and revision authorized by this Act, the Lieutenant-Governor may cause a printed roll thereof, attested by his signature and countersigned by the Attorney-General, to be deposited in the office of the Clerk of the Assembly.

Appendices

5. There shall be appended to the roll,

(*a*) an appendix marked "Appendix A", similar in form to Appendix A appended to the Revised Statutes of Ontario, 1950, containing certain Imperial Acts and parts of Acts relating to property and civil rights that were consolidated in The Revised Statutes of Ontario, 1897, Volume III, pursuant to chapter 13 of the Statutes of Ontario, 1902, that are not repealed by the Revised Statutes of Ontario, 1960 and are in force in Ontario subject thereto; and

(*b*) an appendix marked "Appendix B", similar in form to Appendix B appended to the Revised Statutes of Ontario, 1950, containing certain Imperial statutes and statutes of Canada relating to the constitution and boundaries of Ontario.

Schedules

6.—(1) There shall be appended to the roll,

(*a*) a schedule marked "Schedule A", similar in form to Schedule A appended to the Revised Statutes of Ontario, 1950, showing the Acts contained in the Revised Statutes of Ontario, 1950 and the other Acts that are repealed in whole or in part from the day upon which the Revised Statutes of Ontario, 1960 take effect and the extent of such repeal; and

(*b*) a schedule marked "Schedule B", similar in form to Schedule B appended to the Revised Statutes of Ontario, 1950, showing the Acts and parts of Acts that are repealed, superseded and consolidated in the Revised Statutes of Ontario, 1960 and showing also the portions of the Revised Statutes of Ontario, 1950 and Acts passed thereafter that are not consolidated.

Effect of mention of an Act in schedules

(2) The mention of an Act or a part thereof in a schedule shall not be construed as a declaration that the Act or part was or was not in force immediately before the coming into force of the Revised Statutes of Ontario, 1960.

Proclamation

History of Statute Revisions in the Provinces of Upper Canada, Canada and Ontario

1763 - 1791

The Treaty of Paris, 1763, ceded the French possessions in North America to Great Britain. On October 7th of that year a Royal proclamation introduced the law of England, both civil and criminal, into the whole of the ceded territory, and formed the Eastern portion of it into the Province of Quebec. The Governor of the new colony received power and direction "so soon as the state and circumstances of the colony would admit thereof, to summon and call a General Assembly", but, until this was done, the Governor and Council were invested with "authority to make such rules and regulations as should appear to be necessary for the peace, order and good government of the Province".

In 1774 the Quebec Act (14 Geo. III, c. 83, Imp.) was passed, by which French law was re-introduced in civil matters, and the limits of the Province of Quebec were enlarged, so as to include the whole of the territory afterwards formed into Upper Canada.

The Quebec Act produced dissatisfaction, especially among the British colonists, and in 1791, the Constitutional Act (31 Geo. III, c. 31, Imp.) was passed, by which the Province of Quebec as it then existed, was divided into the Province of Upper Canada and the Province of Lower Canada, the power of the Governor in Council to legislate was taken away, and a legislature was granted to each Province.

1792 - 1840

1. The first revision of the statutes in the new Province of Upper Canada was made in 1818. It consisted merely of a collection of the Acts of the Province of Upper Canada in force at that date, together with such Acts of the Imperial Parliament and ordinances of the former Province of Quebec as affected Upper Canada.

2. In 1831 a collection of the statutes of Upper Canada in force at that date was published by Messrs. Hugh C. Thomson and James Macfarlane, which, though a private enterprise, long supplied the place of a revision by authority.

1841 - 1866

3. The Act of Union (3 & 4 Vict., c. 35, Imp.) which came into force by proclamation on February 10th, 1841, united the Provinces of Upper and Lower Canada. A revision was soon after begun of the statutes of Upper Canada in force at the date of the union. A commission for the purpose, dated July 25th, 1840, was issued to the Honourable John

Beverley Robinson, the Honourable James B. Macaulay, the Honourable William Henry Draper and John Hillyard Cameron, Esq. It directed the Commissioners "diligently and carefully to examine and revise the several statutes from time to time passed and enacted by the Parliament of Upper Canada, and then in force and effect; and to make such report upon the premises as in their opinion should be most for the interest, welfare and good government of the Province".

The result of the work of the Commission was embodied in two volumes, the first containing public Acts, and the second, local and private Acts. The report to the Governor General, in which the Commissioners announced the completion of the project, is dated 8th March, 1843, and was printed as a preface to the first volume.

In this, as in earlier "revisions", no actual consolidation of the statutes was attempted. The various Acts in force were printed as they had been passed, omitting only such portions as had expired or had been repealed, with notes stating the reasons for omissions, and giving the provisions, if any, which the Legislature had substituted for repealed clauses; errors in the text were left uncorrected, except by way of a note directing attention to them; and the revision did not receive authority by legislative adoption, but was nevertheless, by general use, substituted for the preceding volumes of statutes.

A revision of the Acts and ordinances in force in Lower Canada at the date of the union of Upper and Lower Canada was begun in 1842, and completed in 1845, by a Commission composed of Messrs. A. Buchanan, H. Heney and G. W. Wicksteed. The Commissioners made two reports, which, as well as a prefatory notice, were printed with the volume of revised statutes compiled by them.

4. The first consolidation, properly so called, of the statute law was begun in 1856.

Two Commissions were issued, the first, dated February 7th, 1856, appointed Messrs. John Hillyard Cameron, Joseph C. Morrison, Adam Wilson, Skeffington Connor, Oliver Mowat and David B. Read to examine, revise, consolidate and classify the public general statutes affecting Upper Canada only, and the second, dated March 28th, 1856, appointed Messrs. A. Polette, Gustavus W. Wicksteed, Andrew Stuart, T. J. J. Loranger, Robert Mackay and George de Boucherville to examine, revise, consolidate and classify the public general statutes applying exclusively to Lower Canada. Each Commission directed the Commissioners therein named, jointly with the members of the other Commission, to examine, revise, consolidate and classify the public general statutes which applied equally to both sections of the Province.

Subsequently Messrs. Cameron and Morrison resigned, and in their stead the Honourable J. B. Macaulay and S. H. Strong, Esq., were appointed. Afterwards Dr. Connor and Mr. Mowat also resigned,

preparatory to their becoming candidates for election as members of the Legislative Assembly. In a later stage of the work, and especially during its final revision, the commissioners were assisted by His Honour Judge Gowan, of the County Court of the County of Simcoe.

The first report of the Commission was made on April 19th, 1858, and in 1859 drafts of the Consolidated Statutes for Upper Canada and the Consolidated Statutes of Canada were submitted to the Governor General, accompanied respectively by a report, dated January, 1859, by Sir J. B. Macaulay, the Chairman of the Upper Canada Commission, and a joint report dated March 3rd, 1859, by Sir J. B. Macaulay and Mr. Wicksteed, the acting Commissioner of the Commission for Lower Canada. (*See Sess. Papers, 1859, No. 9.*)

These two volumes were laid before the Legislative Assembly in 1859, and Acts were passed to provide for their coming into force by proclamation.

Pursuant to the provisions of the last-mentioned Acts, the enactments of the then session were incorporated with the consolidation and the two volumes were declared by proclamation to come into force on December 5th, 1859.

1867 - 1950

On July 1st, 1867, by proclamation issued under the *British North America Act, 1867* (30 and 31 V., c. 3, Imp.) the Province of Canada was, with the Provinces of Nova Scotia and New Brunswick, formed into the present Dominion of Canada. Thus the two divisions of the Province of Canada were once more constituted separate provinces, Upper Canada being called the Province of Ontario, and Lower Canada the Province of Quebec.

5. The Revised Statutes of Ontario were prepared by a Commission appointed July 24th, 1874, composed in the first instance of the Honourable William Henry Draper, Chief Justice of Appeal; the Honourable Samuel Henry Strong, the Honourable George William Burton and the Honourable Christopher Salmon Patterson, Justices of Appeal; the Honourable Oliver Mowat, Attorney General; and Messrs. Thomas Langton, Charles R. W. Biggar and Rupert Etherege Kingsford, Barristers-at-Law. The Honourable Thomas Moss upon his appointment as Justice of Appeal, the Honourable Samuel Hume Blake, Vice-Chancellor, and His Honour Judge Gowan, of the County Court of the County of Simcoe, were subsequently added to the Commission.

The work of the Commission was three-fold:

First. To examine, revise, consolidate and classify such of the public general statutes passed by the Parliament of the Province of Canada and applying to Ontario as were within the legislative authority of the Legislature of Ontario;

Secondly. To examine and arrange in the manner most convenient for reference such of the public general statutes passed by the Parliament of the Province of Canada and applying to Ontario as were not within the legislative authority of the Legislature of Ontario; and also the statutes passed by the Parliament of the Dominion of Canada and affecting Ontario;

Thirdly. To examine and arrange in the manner most convenient for reference the statutes of the Imperial Parliament, printed with the Consolidated Statutes of Canada in 1859, as well as all statutes afterwards passed by the Imperial Parliament.

This Commission made three reports, dated respectively December 12th, 1874, December 11th, 1875, and December 30th, 1876. The first report was accompanied by tables showing the consolidation in outline.

The second report announced the completion of the collection of the Imperial Acts, and contained suggestions for legislation to remove discrepancies discovered in the course of the work, and otherwise to facilitate consolidation. Specimens of the work done were also submitted with this report. With the third report was submitted a draft of the revised statutes, which was laid before the Legislature at its session in 1877.

A volume of 633 pages, being a portion of the collection of enactments of the Dominion of Canada, and of the Province of Canada which were not within the legislative authority of the Legislature of Ontario, was presented with the second report; but the completion of this portion of the work of the Commission was afterwards abandoned in view of the preliminary steps which had been taken by the Dominion Government for a consolidation of statutes that would include the Acts of which the Ontario collection would have been composed.

The enactments of the session of 1877 were incorporated in the draft-consolidation above mentioned pursuant to the Ontario Act, 40 V., c. 6, by a commission appointed by the Lieutenant Governor. It was composed of the Honourable Chief Justice Draper, the Honourable Mr. Justice Strong, the Honourable Mr. Justice Burton, the Honourable Mr. Justice Patterson, the Honourable Mr. Justice Moss, the Honourable Vice-Chancellor Blake, His Honour Judge Gowan, the Honourable Oliver Mowat, Attorney General, and Thomas Langton, Esq., Barrister-at-Law.

These Commissioners reported the completion of their work to the Lieutenant Governor on November 20th, 1877, and the revision being approved by him, a proclamation was issued on December 7th, 1877, declaring the Revised Statutes of Ontario to be in force on, from, and after December 31st, 1877.

6. The Revised Statutes of Ontario, 1887 were prepared by a Commission appointed December 11th, 1885, and composed in the first instance, of the Honourable George William Burton, the Honourable Christopher Salmon Patterson and the Honourable Featherston Osler, Justices of the Court of Appeal; the Honourable John Alexander Boyd, Chancellor of Ontario; the Honourable John Edward Rose and the Honourable John O'Connor, Justices of the High Court of Justice; His Honour Joseph Easton McDougall, Judge of the County Court of the County of York; the Honourable Oliver Mowat, Attorney General of Ontario; the Honourable Arthur Sturgis Hardy, Provincial Secretary; John Galloway Scott, Esq., Master of Titles and John Robison Cartwright and Frank John Joseph, Esquires, Barristers-at-Law. By a subsequent commission, dated December 31st, 1885, the Honourable Alexander Morris, Ex-Chief Justice of the Province of Manitoba, was added to the Commission. The Commissioners were appointed to consolidate the public statutes of the Province of Ontario, and were directed as they, or any three of them, might think proper to report from time to time their proceedings and progress of the work entrusted to them to the Lieutenant Governor and to be guided by the instructions received from time to time from the Lieutenant Governor in all things not contained in the commission. The Commissioners made their first report in the month of March, 1887, accompanied with a draft of the consolidated statutes, and indicated the manner in which the work had been prepared. The enactments of the session of 1887 were subsequently incorporated in this draft consolidation by the Commissioners pursuant to the authority of the Ontario statute, 50 V., c. 2.

The completion of the work was reported by the Commissioners to the Lieutenant Governor, and the consolidation being approved by him a proclamation was issued on December 20th, 1887, declaring "The Revised Statutes of Ontario, 1887" to be in force on and after December 31st, 1887.

7. The Revised Statutes of Ontario, 1897 were prepared by a Commission appointed April 25th, 1896, composed in the first instance of the Honourable John Alexander Boyd, Chancellor of Ontario; the Honourable Featherston Osler, Justice of Appeal; the Honourable John Douglas Armour, Chief Justice of the Queen's Bench; the Honourable James Maclennan, Justice of Appeal; the Honourable William Ralph Meredith, Chief Justice of the Common Pleas; the Honourable Thomas Ferguson, the Honourable John Edward Rose and the Honourable William Glenholme Falconbridge, Justices of the High Court; the members of the Executive Council of Ontario and James Pliny Whitney, Esq., M.P.P.; Byron Moffatt Britton, Esq., Q.C., and John Galloway Scott, Esq., Q.C., Master of Titles.

By a subsequent commission dated May 23rd, 1896, Allan Malcolm Dymond, Esq., was added, and by a commission dated September 12th, 1896, Thomas Langton, Esq., Q.C., was added, and by a commission dated March 30th, 1897, James Thompson Garrow, Esq., M.P.P., was added to the Commission.

The Commission completed its work and reported the same to the Lieutenant Governor on December 20th, 1897, and the consolidation being approved by him, a proclamation was issued on December 24th, 1897, declaring the Revised Statutes of Ontario, 1897 to be in force on and after December 31st, 1897.

8. The Revised Statutes of Ontario, 1914 were prepared by a Commission appointed June 23rd, 1906, composed in the first instance of the Honourable Featherston Osler, one of the Justices of the Court of Appeal; the Honourable Sir William Ralph Meredith, Chief Justice of the Common Pleas; the Honourable James Thompson Garrow, one of the Justices of the Court of Appeal; the Honourable William Purvis Rochfort Street, one of the Judges of the King's Bench; the Honourable James Vernall Teetzel, one of the Judges of the Common Pleas; the Honourable Francis Alexander Anglin, one of the Judges of the Exchequer Division; the members of the Executive Council of the Province of Ontario, Alexander Grant MacKay, Esq., K.C., and Allan Malcolm Dymond, Esq., K.C.

By a further commission dated September 26th, 1906, the Honourable James Pitt Mabee, one of the Judges of the Chancery Division, and His Honour Colin G. Snider, Judge of the County Court of the County of Wentworth, were added to the Commission.

By a further commission dated December 7th, 1906, the powers of the Commission were enlarged, and the work of revision and consolidation was proceeded with as indicated in the report which is printed at page cxxxvii of volume III of R.S.O. 1914.

The Commission reported the completion of the revision and consolidation to the Lieutenant Governor on February 11th, 1914, and upon his approval being signified a proclamation was issued on February 12th, 1914, declaring the Revised Statutes of Ontario, 1914 to be in force on and after March 1st, 1914.

9. The Revised Statutes of Ontario, 1927 were prepared by a Commission appointed on October 30th, 1924, and composed of the Honourable William Edward Middleton, the Honourable Hugh Thomas Kelly, the Honourable William Nassau Ferguson, the Honourable Robert Smith, Judges of the Supreme Court of Ontario; His Honour James Gamble Wallace, Judge of the County Court of the County of Oxford; the Honourable William H.
